

LEE BAY PUBLIC CONSULTATION

19th August between 3-7pm | Lee Memorial Hall, Lee EX34 8LR

We are pleased to announce plans to regenerate the former Lee Bay Hotel and its surroundings, and would appreciate comments on our proposals. We recognise its importance as a valuable local asset, and accordingly we will be holding an informal public consultation event to discuss the site's future. The event will be held in Lee Memorial Hall, and the owners, architect and planning consultant will be on hand to discuss any comments you may have. The event will be open to the general public, and we encourage anyone with an interest to come along.
